Choose the Garage Door that's Right for You

SHORT PANEL

Short panels can be raised or recessed. The rectangular patterns are shorter. Garage doors with short panels have double the amount of rectangles as a long panel.

**Windows and inserts are optional*

LONG PANEL

Short panels can be raised or recessed. The rectangular patterns are shorter. Garage doors with short panels have double the amount of rectangles as a long panel.

FLUSH PANEL

Flush panels are flat. They provide straight, clean lines rather than having designs for a contemporary and sophisticated look.

CARRIAGE STAMPED

Built with handcrafted details and a deeply embossed wood grain finish, this series perfectly captures the appeal of traditional carriage house doors.

CARRIAGE OVERLAY

Fashionable and functional garage door. Modern strength of steel and a warm authentic look with low maintenance and high durability.

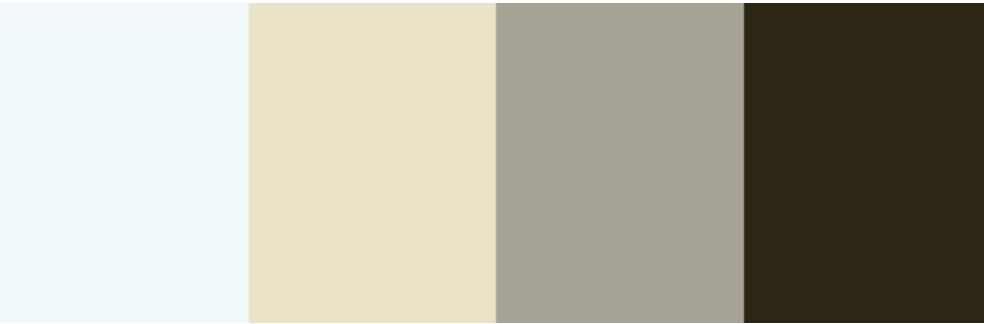

WOOD - OVERLAY

When genuine wood is desired, our overlay doors are handcrafted to combine an insulated steel base with a wood exterior.
